Gospel Reading: Luke 24:30-32

When Jesus was at the table with them, he took bread, blessed and broke it, and gave it to them. Then their eyes were opened, and they recognized him; and he vanished from their sight. They said to each other, "Were not our hearts burning within us while he was talking to us on the road, while he was opening the scriptures to us?"

Character Counts

Citizenship: The way we contribute to our community and country.

The life of the nation is secure only while the nation is honest, truthful, and virtuous.

Frederick Douglas

Earth Day 2009

Thank you to the Middle School faculty and students for coordinating the Earth Day activities for the Kindergarten through Fifth grades. The students created Lady Bugs (using stones), biodegradable Bird Seed Feeders, learning about the ecosystem, nature walk, songs, and campus cleanup.

The following is a song composed by one of our Sixth grade students (to the tune of "Frere Jacques").

Are you polluting? Are you polluting?

Yes, we are...yes, we are!

Time to clean our planet, time to clean our planet!

Clean, clean, clean! Clean, clean, clean!

Are you recycling? Are you recycling?

Every day? In every way?

Recycle cans and bottles, paper, cardboard...

We're role models!

Recycle every day! Recycle every way!
